Nice to Know

September Starts Here: A New Season at the Community Centre

Programming resumes at the White City Community Centre this month

Welcome to Nice to Know—a section of our newsletter where we'll share a little something extra each month. Sometimes it might be a quick tip or fun fact. Other times, we'll have more to share—like updates on major capital projects happening around town. Whether it's a quick tidbit or a deep dive, this is your spot for useful info that helps you stay in the know about what's happening in White City.

There's so much happening at the Community Centre this fall! Get active, learn something new, and meet neighbours with similar interests. Whether you're a longtime regular attendee or it's your first time, stop by for some fun — our programs are ready to welcome you back to routine!

All programs take place at the White City Community Centre (12 Ramm Ave E). Please note, there will be no programming on September 30 or November 11, 2026.

Tax & Utility

Save Money On Your Property Taxes

Reminder: the Town of White City offers a discount on the municipal portion of your property taxes if you pay early.

- Save 11% if you pay by September 30
- Save 9% if you pay by October 31

Tax payment must be received on or before October 31; if you're paying online, allow three to five business days for the Town to receive the payment.

Starting November 1, a 1.5% interest penalty will be applied to any remaining unpaid taxes. Visit whitecity.ca/p/property-tax to learn more.

If you have questions, please contact or visit the Town Office so we can assist you.

Finance Department

Upcoming Budget Engagement

As we begin planning for the 2027 Annual Budget and future capital projects, residents are encouraged to stay engaged and share their feedback on priorities that will help shape our community.

In the coming weeks, the Town will be launching public engagement opportunities to gather input on future projects and budget priorities. We encourage residents to keep an eye on the Town's social media channels for additional information about these engagement opportunities.

Your feedback plays an important role in helping Council make informed decisions and establish priorities for the years ahead.

Summer Students

This summer, the Town welcomed summer students to support Public Works; Parks, Recreation and Culture; and Community Planning and Development.

Our staff would like to thank the students for their hard work and willingness to support the departments during the busy summer season.

We wish these students well in their next chapter!

Community Centre Mural

A blank wall is becoming a community masterpiece!

A brand-new public mural is coming to White City's Community Centre, celebrating everything we love about our community, from our beautiful prairie landscape to Saskatchewan's iconic "Land of Living Skies". Created by talented local artist Justine Marie Schlosser, the mural brings to life the words, ideas, and themes shared by residents during July's community engagement.

With a background in interior design and fine art, Justine creates deeply personal, one-of-a-kind pieces. Her signature style uses a mixed media approach that includes textured paint and metallic finishes to create calming and uplifting artwork. For this mural, Justine primarily used Fusion Mineral Paint, a family-owned Canadian business, plus paint from The Stoneground Paint Co, based out of Regina.

Painting began in mid-August and the finished mural will be officially unveiled in early September.

To learn more about public art in White City, visit whitecity.ca/p/public-art.

"This artwork will celebrate not just the land, but the people who have cultivated, built and dreamed upon it... The intention is to evoke both a sense of nostalgia and momentum, capturing the emotional texture of a place that is deeply grounded yet forward thinking."

- Justine Marie Schlosser

Sponsor the Pump Track

Help us build a lasting community legacy! We are proud to be developing a new modular pump track at Serbu Park, an exciting outdoor recreation space that will encourage active lifestyles, bring families together, and provide a safe place for riders of all ages.

We're inviting local businesses to become project sponsors and play a key role in bringing this community asset to life and supporting long-term upkeep. Your investment will create a lasting legacy that benefits our community while showcasing your commitment to making White City an incredible place to live, work and play.

By sponsoring the pump track, your business will:

- Demonstrate community leadership and local pride
- Gain long-term recognition and visibility in a high-use recreation space
- Support healthy, active lifestyles for local youth and families
- Help enhance recreation opportunities and public amenities

We are offering a range of sponsorship levels; we also welcome in-kind contributions to help bring this project to life.

Learn more and explore the sponsorship package at whitecity.ca/p/pump-track-sponsorship. If your business is interested in becoming a sponsor, please contact the Town's Community Partnership Coordinator, Madison Coderre, at 306-781-2355 ext 227 or mcoderre@whitecity.ca.

Double K Rec Facility: Sponsorship

Be part of the action at White City's outdoor rink and recreation hub! This state-of-the-art facility is the heart of year-round activity in our community. The Town of White City is thrilled to welcome families, athletes and visitors alike to Double K Recreation Facility — and we're inviting your business to be part of the excitement.

Consider sponsoring a rink board advertisement or light pole pennant and receive recognition on the Town website and social media pages. Sponsorship offers you the chance to:

- Gain prime visibility in a high-traffic, family-focused environment;
- Connect directly with a vibrant, engaged community;
- Show your support for local recreation and community well-being;
- Be recognized as a proud partner in keeping this facility thriving.

Learn more and explore the sponsorship package at whitecity.ca/p/double-k-sponsorship. If your business is interested in becoming a sponsor, please contact our Community Partnership Coordinator at 306-781-2355 ext 227 or mcoderre@whitecity.ca.

Invest in community spirit and recreation.

Be Part of the Action at White City's Outdoor Rink and Recreation Hub
The Town of White City is thrilled to welcome families, athletes and visitors alike to Double K Recreation Facility — and we're inviting your business to be part of the excitement!

This state-of-the-art facility is the heart of year-round activity in our community. From hockey to ringette, lacrosse and basketball, the rink is where memories are made and our community comes together all year long. Last season, the Town was proud to introduce Crokart and a skating trail, offering additional fun and accessible activities for users of all ages and abilities to enjoy. Our signature winter festival, CHILLFEST, also takes place at Double K.

By sponsoring rink boards or custom pennants, your business will:

- Gain prime visibility in a high-traffic, family-focused environment;
- Connect directly with a vibrant, engaged community;
- Show your support for local recreation and community well-being;
- Be recognized as a proud partner in keeping this facility thriving.

Sponsorship isn't just about advertising — it's about investing in community spirit and building lasting connections. Together, we can make this upgraded facility a place where sports, families, and local businesses all shine.

Public Works

Upcoming Projects & Reminders

Public Works is working hard to keep our community looking and functioning its best! Here's what's in store for crews this fall:

- To improve safety, Public Works will install bike chicanes on the pipeline pathway along Motherwell Drive and install bolted delineators at three pathway crossings with limited visibility: Motherwell Drive at Emerald Ridge Elementary School, Emerald Ridge East (pipeline pathway crossing), and Churchill Crescent.
- Crews will grade drainage swales to improve overland drainage and reduce ponding. Priority locations for this season include White City Drive/Lott Road East (Chuka Creek), Oxford Bay (Retention Pond No. 2) and Ramm Avenue (Community Centre parking lot).
- The Town was awarded \$50.0K through the SGI Traffic Safety Grant and will proceed with construction of the Ramm Avenue pathway this year to improve pedestrian connectivity. The new pathway will extend from Galloway Street to the entrance of the Community Centre. Public Works will complete pathway construction and grading over a period of approximately four weeks. After the paving contractor paves the pathway, Public Works will complete landscaping and final site restoration.

As always, please keep an eye out for Public Works crews and equipment, slow down in work zones and use extra caution to help keep workers safe.

Branch Chipping and Fall Cleanup

White City offers branch chipping services twice per year to help residents keep their properties tidy. To improve efficiency, Public Works introduced a single pass ("Once Through Town") approach earlier this year.

Here's how to use the branch chipping service:

- **Place your branches curbside by September 20.** Crews will start chipping the day after the deadline and will continue until every street has been completed once.
- **Please pile branches neatly at the front curb area with the cut end facing the road.** Crews will allocate a maximum of 10 minutes per property to chip branches from routine tree trimming. The maximum pile size is 8 feet long by 4 feet tall.
- Crews cannot collect piles if they: exceed reasonable size limits, contain garbage or debris, include trees infected with black knot, contain tree stumps or roots, or are placed after the deadline. A door knocker will be placed on any properties with a pile that cannot be chipped.

The other seasonal community cleanup services will take place in October:

- **Leaf Bag Pick Up:** Crews will pick up bags between **October 12 to 23**. Remember to use biodegradable paper bags. For the safety of staff, please keep bags under 50 pounds.
- **Clean Up Bins:** From **October 21 to 29**, residents can drop off household waste, recycling and metal in the bins at the Splash Park on Lipsett Street.

For more information about each service, visit whitecity.ca/p/community-spring-fall-cleaning.

The inSight newsletter is created around the 15th of each month. Publishing CSO statistics from July in September aligns with the newsletter production schedule, allowing time for thorough data analysis and timely inclusion in the current edition. August 2026 statistics will be available in the Q4 (October) 2026 edition.

Start the Year Safely: **Back-to-School**

Wednesday, September 2 is the first day of school! As students, families and staff get back into the school-year routine, let's make safety a top priority. Whether you're walking, biking or driving, a few simple habits can help everyone get where they're going safely.

Walkers

- Plan a safe route to school and use sidewalks or pathways whenever they're available. If there's no sidewalk, walk facing traffic.
- Use crosswalks whenever possible. Look both ways and wait until traffic has stopped before crossing. Tip: Make eye contact with drivers before stepping into the street.
- If you're waiting for the school bus, stand well back from the curb.
- Walk with an adult or buddy whenever possible.
- Stay alert by putting your phone away and removing headphones while walking.

Bikers

- Always wear a properly fitted helmet and follow the rules of the road.
- Ride on the right side of the road, in the same direction as traffic, and ride single file.
- Come to a complete stop before crossing the street.

Drivers

- Follow all posted speed limits, especially in school zones.
- Stay alert around crosswalks, intersections and school entrances.
- Keep an eye on your surroundings and be prepared to stop suddenly.
- Stop for school buses with flashing lights and/or an extended stop arm.
- Give yourself some time for your commute so you don't feel rushed.

A little extra awareness goes a long way. Let's make the first day of school — and every day — a safe and successful one!
