

Councillor Blog December 2021

Welcome back fellow residents of White City, and those reading from the surrounding area, for the December 2021 edition of the White City Councillor Blog.

It's been just over a year since the municipal election and Council has been busy learning the intricacies of White City. From learning about municipal budgeting to the Town Centre Neighbourhood project we've spent countless hours learning and making sure we have the right information to make the best decision for you. As fellow residents of White City, just like you we want to see the best for our community in terms of amenities, services, development, finances and to represent your interests.

We're excited to invite White City Residents to a Virtual Town Hall on December 15, 2021. For Council, an important part of providing the best representation to our residents is to hear from our residents. Through a Virtual Town Hall we are inviting residents to join us and pre-submit questions on the following topics:

- The Boundary Alteration, or Annexation, Project;
- Town Centre Development;
- Multi-Use Recreation Centre; and
- General Questions around Budget, Taxation and Utilities.

We are committed to transparent decision-making, engaging our residents and being a learning organization and we look forward to hearing from you, answering questions, and providing additional information on some of the large projects going on in our community. For our first Virtual Town Hall we'd like to keep the conversation focused on some of the common topics we've heard out and about in our community, but we are already planning for our next Town Hall and want to hear the topics or projects you want to hear more about. The Virtual Town Hall will begin with pre-submitted questions, time permitting there may be an opportunity for open questions at the end.

Scan the QR code above to register and submit your questions.

If you have any questions, have a comment, want more information or want to suggest a topic for a future blog please email townoffice@whitcity.ca or call 306-781-2355 – we look forward to hearing from you!

– Mayor Brian Fergusson
